Dear the Federal Court  
Freedom of Information Act  
To a Honest Judge

Yes I am Cathy L. Toole the legal wife of James Luther Toole (the deceased veteran). Yes Vicki Lynn Toole and Rachel Lynne Toole are the biological daughters to James Luther Toole (the deceased veteran). I Cathy L. Toole sure do hope and pray that the Honest Judge takes this letter very seriously.

I Cathy L. Toole am ready to enter the Federal Court Room along with the nine individuals and also one of my daughters Rachel Lynne Toole under the First Admendment and the fourteenth Admendment of the United States Constitution. I Cathy L. Toole am ninety percent sure that none of the individuals is going to release me a copy of the missing records on James Luther Toole that I have been requesting for so long. Or tell me the truth until they get sworn in under Oaths. Exhibit

number one! Clathy L. Toole subpoena President Barack Obama to Federal Court. Clathy L. Toole sure do realize that when President Barack Obama was sworn in to be president. That he took an Oath to uphold the United States Constitution. By President Barack Obama not letting me Clathy L. Toole enter the Federal Court Room under the First Admendment of the United States Constitution. President Barack Obama is not upholding his Oath that he was sworn in under. If President Barack Obama can not be truthful and uphold his Oath that he was sworn in under. (To uphold the United States Constitution). What else is he not telling the truth about? Also President Barack Obama was so concern about the oil spill. That he even made a trip to the Mississippi Gulf Coast. And is not concern of my case worth over two million

So I wrote to the Commission over Cass R. Buscher. I wrote to Benedict Swartz II. Read the letter that I wrote to Benedict Swartz II dated June 1, 2010. Benedict Swartz II did not send me the information that I requested from him in the brackets. Think about this Judge! Without a doubt. If Benedict Swartz II would have worked on my investigation. The outcome of my investigation would have been different. Because of the knowledge that Benedict Swartz II has. Cathy L. Toole want to charge

Benedict Swartz II with neglect. Also  
frauding me Cathy L. Toole, Vicky  
Lynn Toole, and Rachel Lynne  
Toole. Also ethics violation. Also

disable person (Cathy L. Toole).  
Also violating the Open Public  
Records Act Law.

Exhibit number three. Cathy L.  
Toole subpoena Joan Myers Eagle  
to Federal Court. She is another  
individual of the commission  
that I wrote to. Trying to get  
her to handle my investigation.  
Because Cathy L. Toole was  
ninety percent sure that Cass  
R. Buscher. Did not have enough  
of knowledge to handle my  
investigation. Read the letter  
that I wrote to Joan Myers  
Eagle dated May 10, 2010. Think  
about this Judge! If Joan Myers Eagle  
would have worked on my  
investigation like I requested.  
The out come of my investigation  
would have been different. Cathy

Toole wrote to Benedict Swartz II and Joan Myers Eagle telling the both of them. That I Cathy L. Toole am ninety percent sure that Cass R. Buscher does not have enough of knowledge to handle my investigation. Did Cass R. Buscher have enough of knowledge to handle my investigation? NO. Did Cass R. Buscher do an honest investigation on my case? NO. Why? Read the four documents that I Cathy L. Toole signed Jan 9, 2003 for R. Edward Bates. Attention! Power of Attorney by individual for the collection of a specified check drawn on the

6

United States Treasury. R. Edward Bates did not fill in the amount of the check. Before he had me Cathy L. Toole sign it. This proves that R. Edward Bates intent to fraud me Cathy L. Toole, Vicky Lynn Toole and Rachel Lynne Toole. Read the Retainer Agreement. That Cathy L. Toole signed Jan 9, 2008. What does retain mean? To hire as a lawyer by paying a fee in advance. My case did not even go to court. Did Cathy L. Toole hire R. Edward Bates? Yes. How can Cass R. Buscher say that R. Edward Bates did not represent me or receive any funds on my behalf. Read the letter dated June 30, 2010. Cathy L. Toole want to charge Cass R. Buscher with not doing a through investigation on my case. For giving me Cathy L. Toole false information, that I can prove. Katrina hit the Mississipp Gulf  
Coast Aug 29, 2005. I lost everything  
that I owned. I was very upset.  
Then Jan 9, 2008 R. Edward Bates intraped  
me into signing these four pages.  
I also want to charge him with  
taking advantage of a Hurricane  
Katrina victim. Also taking  
advantage of a disable person

(Lathy L. Toole). Read the four documents that R. Edward Bates intraped me into signing. Attention! Read the Retainer Agreement. There is no charge to the client for the attorney's services. The client does agree, however, that if the court either awards benefits or remands the case to the VA for a new decision the attorney may seek an order from the court directing the VA to pay attorney's fees under the Equal Access to Justice Act. If the court awards attorney's fees, the entire amount of the award shall be paid to the attorney. Next read the advertisement letter from R. Edward Bates. Look how high up in court I was. We represent veterans at the court at no charge to the veteran. The document that he intraped me into signing. He got my whole award. R. Edward Bates contradicted himself. Lathy L. Toole sure would love to know how R. Edward Bates is

going to testify about this while he is sworn in under Oaths. I Cathy L. Toole am suing R. Edward Bates for my 2,000,000 (two million dollar) award plus the compound interest since Jan 9, 2008.
